SCHEDULE OF PAYMENTS

PREAMBLE

This Volume discloses the Combined General Fund and Special Funds (Consolidated Revenue Fund) expenditure by payee or program in the following categories:

— Salaries and Indemnities paid to Members of the Legislature.

— Salaries, Wages and Travelling Expenses by Ministries.

— Grants, Contributions and Subsidies made to Municipalities and Local Governments, Hospitals, Schools, Industry and Economic Development, and Other Grants (including social service agencies) where the total payments are $2,000 or more. (It should be noted that this schedule reports payments made to the actual recipient of the funds. For this reason payments made under such programs as GAIN and Pharmacare to third parties, selected by the program clients, are listed as payments to the third party rather than to the client.)

— Supplies or services, and purchases of fixed assets (including capitalized leases) listed by payee where the total payments are $5,000 or more.
